Serial No. 08/386,912 - Application of MARTIN et al.

GROUND FOR CONVERSION TO RULE 1.47(a) APPLICATION

The 08/386,912 application (hereinafter the '912 application), entitled "Omniview Motionless Camera Orientation System", was filed on February 8, 1995. The '912 application is a continuation of U.S. application serial number 08/339,663 filed November 11, 1994, which is a continuation of U.S. application serial number 08/189,585 filed January 31, 1994 (now U.S. Patent No. 5,384,588), which is a continuation-in-part of U.S. application serial number 08/014,508 filed February 8, 1993 (now U.S. Patent No. 5,359,363), which is a continuation-in-part of U.S. application serial number 07/699,366 filed May 13, 1991 (now U.S. Patent No. 5,185,667). Mr. Zimmermann is named as an inventor in each of these applications.

The '912 application lists four inventors, namely, H. Lee Martin, Daniel P. Kuban, Steven D. Zimmermann, and Nicholas Busko. Applicants timely submitted the joint declaration of Messrs. Martin, Kuban, and Busko on April 18, 1995. After numerous *bona fide* attempts to secure Mr. Zimmermann's joinder in the application (as set forth in the attached Declaration of Mr. Thomas H. Jackson, applicants' counsel), Mr. Zimmermann has not signed the Joint Declaration for this application. Applicants submit that Mr. Zimmermann's conduct constitutes a refusal to sign as contemplated by Rule 47 and M.P.E.P. § 409.03(d).

To complete the Petition Under Rule 1.47(a), Applicants herein submit:

- 1) Proof (in the form of a declaration with attachments by applicants' counsel, Mr. Jackson) that the non-signing inventor (Mr. Zimmermann) refuses to execute the application papers; and
- 2) The last known address of the non-signing joint inventor.

Serial No. 08/386,912 - Application of MARTIN et al.

Applicants request that the Petition Under 1.47(a) be granted and the above-titled application be passed to the Examining corps for timely examination.

Respectfully submitted,

**DECLARATION OF MR. THOMAS H. JACKSON IN SUPPORT OF
THE PETITION UNDER 37 C.F.R. 1.47(a)**

Assistant Commissioner
for Patents
Washington, D.C. 20231

Sir:

I, Thomas H. Jackson, state as follows:

1. I am a partner in the law firm of Banner & Allegretti, counsel for Telerobotics International, Inc. ("TRI").
2. I filed the above-identified application on behalf of TRI on February 8, 1995. As filed, the application named H. Lee Martin, Daniel P. Kuban, Steven D. Zimmermann, and Nicholas Busko as joint inventors.
3. On March 20, 1995, I received a Notice to File Missing Parts dated March 15, 1995 in this application. See Attachment No. 1.
4. On March 22, 1995, I mailed an unexecuted joint declaration and a copy of the specification, claims, and drawings as filed to Steven D. Zimmermann via **Certified Mail, Return**

Serial No. 08/386,912 - Application of MARTIN et al.

Receipt Requested. I asked Mr. Zimmermann to sign and date the enclosed declaration and to return the executed declaration to me in the enclosed self-addressed, postage paid envelope for prompt filing in the U.S. Patent and Trademark office ("PTO"). See Attachment 2 including the letter addressed to Mr. Zimmermann.

5. I later spoke by telephone with Mr. Zimmermann at his home in Knoxville, Tennessee, telephone number (615) 588-2601, at 6:31 pm on April 3, 1995. Mr. Zimmermann acknowledged receipt of the application and declaration. He indicated that he would sign the declaration and return it to me. See Attachment 3 as Banner & Allegretti's telephone log showing the date, time, and duration of my conversation with Mr. Zimmermann.

6. Still later, when the declaration was not received, I attempted to reach Mr. Zimmermann by telephone at his home on April 10 and 12, 1995 regarding the declaration. I was not successful in reaching Mr. Zimmermann on either occasion. See Attachments 4 and 5 including Banner & Allegretti's telephone log of these telephone calls.

7. On April 17, 1995, I mailed a second unexecuted joint declaration and a copy of the specification, claims, and drawings as filed to Mr. Zimmermann via **Certified Mail, Return Receipt Requested**. I again asked Mr. Zimmermann to sign and date the enclosed declaration and to return the executed declaration to me for filing in the PTO. See Attachment 6, including the letter addressed to Mr. Zimmermann and the **Receipt for Certified Mail** with tracking number P 376 620 872.

Serial No. 08/386,912 - Application of MARTIN et al.

8. On or about April 18, 1995, I received the Certified Mail Return Receipt indicating that Mr. Zimmermann had personally received my first March 22, 1995 letter and attached unexecuted joint declaration and application. See Attachment 7.

9. On April 20, 1995, I wrote to Dr. H. Lee Martin to inform him that I was still waiting for Mr. Zimmermann to return the signed declaration. See Attachment 8.

10. On April 26, 1995, I again spoke by telephone with Mr. Zimmermann regarding the unsigned declaration. At that time, he promised to execute the declaration and to return it to me. He also indicated that other counsel had advised him that he should seek compensation from TRI for his time and expenses in reviewing the application. I asked that he submit a bill for his expenses, which I promised to pass on to TRI. See Attachment 9.

11. On May 9, 1995, I telephoned Mr. Zimmermann yet again. He confirmed his receipt of the second April 18, 1995 certified letter, including the joint declaration. But he stated that he had not yet signed the declaration. I told him that extension fees are now due to the PTO because of his failure to sign the joint declaration, and asked that he promptly return the executed declaration. He indicated that he would do so and that he would also send a bill for his time and efforts. See Attachment 10.

12. On May 31, 1995, Mr. Zimmermann and I again spoke by telephone regarding the unsigned joint declaration. Mr. Zimmermann told me that he would not sign the joint declaration until after certain meetings that he had scheduled with Motorola (who has an interest in this technology) on June 8-9, 1995. He said he would be willing to talk with me after the meeting.

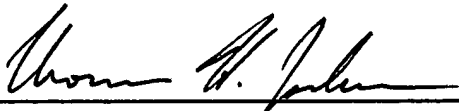

Serial No. 08/386,912 - Application of MARTIN et al.

13. On June 1, 1995, I sent a letter to Mr. Martin indicating my continued efforts in seeking to have Mr. Zimmermann sign and return the joint declaration. See Attachment 11.

The above facts present sufficient evidence of Mr. Zimmermann's constructive refusal to sign the joint declaration. I understand and acknowledge that willful false statements and the like are punishable by fine or imprisonment, or both (18 U.S.C. §1001) and may jeopardize the validity of this application or any patent issuing thereon. I further declare that all statements made on my own knowledge are true and that all statements made on information and belief are believed to be true.

Respectfully submitted,
